

REMARKS

In response to the final rejection dated January 2, 2009, a first amendment after final was filed on April 2, 2009. The first amendment after final presented arguments traversing the objection to the drawings and the Section 103 rejection of claims 1, 7-9, 120-122, 134, 136-141 set forth in the final rejection. In an Advisory Action dated April 13, 2009, the Examiner indicated that the first amendment after final overcomes the drawing objection, but does not overcome the Section 103 rejection of claims 1, 7-9, 120-122, 134, 136-141 set forth in the final rejection. The Examiner further advised that allowable claims 131-133, 142 and 143 would be allowed if rewritten in independent form to incorporate the subject matter of the corresponding base claim and any intervening claim.

By this second amendment after final, allowable claims 131 and 142 have been rewritten in independent form to incorporate the subject matter of base claims 1 and 134, respectively. Claims 1, 7-9, 120-122, 134 and 136-141 have been canceled.

The amendments to the claims made herein do not raise new issues requiring further search and/or consideration. Instead, allowable claims 131 and 142 have been rewritten in independent form to incorporate the subject matter of base claims

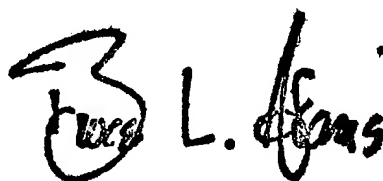

1 and 134, respectively, and claims 1, 7-9, 120-122, 134 and 136-141 have been canceled, thereby placing the application in condition for allowance with claims 131-133, 142 and 143.

In view of the foregoing amendments and discussion, applicants respectfully submit that the application is now in condition for allowance. Accordingly, entry of this amendment and favorable reconsideration and allowance of the claims are most respectfully requested.

In the event the Examiner determines that something further need be done to place the application in allowable form, it is respectfully requested that the Examiner telephone the undersigned attorney at the below-listed number whereupon any outstanding matter will be promptly attended to.

Respectfully submitted,
